DEAR SIR: Price list of Alfalfa Seed.

With the beginning of the year there will be an increased demand for all kinds of seeds. We believe you can buy ALFALFA SEED now to better advantage than a few weeks later. The business of the Post-offices was never greater than it is this month. Our crops were never more abundant. There is every reason to believe this Spring will be the most prosperous ever.

In anticipation of the coming heavy demand, you will make no mistake in buying our LOT "ANDERSON" ALFALFA SEED at 16c a pound in Ogden, sacks extra. It is certainly a bargain. We have about 200,000 lbs. on hand, but it will not last long.
